AAHGS National Conference in Oct

Chiquita will be demonstrating how to use Family Tree Maker at the AASIG (African American Special Interest Group) on Monday Mar. 28, 2022. If you would like to join in the AASIG meetings, send your email address to Frank to receive notifications.

A question was asked on how to start and AAHGS chapter. Chiquita will provide information on the process.

Eileen provided information about African American cemeteries needs and challenges. The Maryland General Assembly is doing a study.

### **Presentation: The 1950 Census**

1950 – Census will be released on April 1<sup>st</sup>! Information about tools to access information were presented. Check our webpage for links to get more information. The One Step Website is very helpful. Accessing Census information will not work like it normally does. No indexing. Family Search and Ancestry will work on indexing over several months. Chiquita demonstrated many items to look for to gain the information.

Our next meeting will be on Sat. May 21, 2022 at 11:00 pm.

The meeting was adjourned at 1:00 pm.
